

**NOTES FOR RESIDENTS OF EFFRA COMMITTEE  
MEETING HELD IN  
PARISH ROOM ON 7<sup>th</sup> January 2019**

**Berkeley Homes/Howard School Development** Detailed planning application for new school and houses on Effingham Lodge Farm still awaited.

**Effingham Station Car Park** Response to post on website re problems with the station car park confirms residents' concerns and appropriate action by EFFRA to be considered.

**Local Medical Facilities** The committee was concerned about the negative response of EPC at its last meeting to a resident's request to consider a doctor's surgery on the KGV. It was considered that the 295 new homes to be built in Effingham, together with additional new homes in neighbouring villages, will increase local demand for the surgeries which are already struggling to meet current demand. The committee considers that EPC should be approaching the local medical centres as to how they were going to meet this increased demand and whether any facility could be provided at Effingham.

**Heritage Open Days Weekend** EFFRA will again co-ordinate for Effingham and little Bookham with date agreed with local properties to open as Saturday 14<sup>th</sup> September. Nationally Heritage Open Days will run from 13<sup>th</sup> to 22<sup>nd</sup> September. The national theme is "People Power" whilst Mole valley has chosen "Mole Valley on the Map." For Effingham 2019 is the 40<sup>th</sup> anniversary of the death of Sir Barnes Wallis and it is intended to suitably mark this.

**EFFRA Road Wardens** There are now four vacancies for road wardens to cover Lower Farm Road, part of the Guildford Road west of the A246, Effingham Common and roads on the East Horsley border off Forest Road.

**KGV Toddlers' Playground project:** An order has been placed with Playdale by EVRT for the work and new equipment and the Parish Council has ordered the new railings. Installation is expected to begin late February.

**Date of Next Committee Meeting** 4<sup>th</sup> February 2019 at 8pm.
