

**NOTES FOR RESIDENTS OF EFFRA COMMITTEE
MEETING HELD BY EMAIL BETWEEN 30th APRIL
AND 8th MAY 2020**

Covid Emergency No committee meetings had been held since 2nd February because of the Covid Emergency.

Community Support The EFFRA website to be used to provide and update information for residents regarding help available and shops etc currently open.

Advertisers & Tradesmen Local businesses and tradesmen will be hard hit by the pandemic and a period of free advertising for current advertisers and tradesmen will be considered after the AGM as a small token of support by EFFRA.

AGM It was agreed to hold the AGM on Zoom on 28th May commencing at 20.15. As the free version of Zoom will be used it is hoped to finish within the 40 minutes allowed. Notice of the AGM will be given as required in the Constitution. This will be by using the village noticeboard and the EFFRA website. A Newsletter will be produced and it will be delivered to residents if it is safe and feasible to do so with Road Wardens being asked if they are prepared to deliver it. It was noted that many Road Wardens are over 60 years of age and some have health problems which means they may be more vulnerable to the virus. Some committee members agreed to deliver copies where Road Wardens were unable to do so. It will also be available on the EFFRA website. Changes to the Constitution are to be proposed to make it easier to carry on business in any future emergencies using emails and appropriate virtual technology with the Committee having the authority to defer meetings including the AGM.

Date of AGM 28th May at 20.15 on Zoom
