It was agreed to publish the existing EFFRA Posts and Comments policy on the website.

King George V Playing Fields Secure KGV Appeal

The Committee is pleased to note that a solution has been found to secure the KGV car park, and work will hopefully start w/c 14 December. The Committee agreed unanimously (with one member abstaining due to conflicts of interest), to donate £300 towards the costs.

Advertising & Tradesmen's Register

It was agreed, because of the disruption to local businesses caused by the pandemic, to continue not to charge current advertisers and any Effingham businesses for advertising until 1 April at the earliest. In order to publicise the services of local tradesmen a new edition of the Tradesmen's Register will be published in the New Year with a small fee being charged for entries.

Traveller Incursions

The Secretary will again contact Effingham's MP, Sir Paul Beresford as he has received no response to EFFRA's letter to him of 15th October re travellers' incursions. A number of other community organisations copied in the letter by EFFRA will be taking similar courses of action.

Committee Meetings

Committee meetings to continue on Zoom for the time being and to be moved to the second Monday of the month so as not to clash with meetings of our neighbouring residents association, the Bookham Residents Association.

Date of Next Committee Meeting Monday 11th January 2021
